

2023–2024 Student Health Insurance Plan for Thomas Jefferson University - Medical

Who is eligible to enroll?

All matriculated students who a) have any on-campus experience and/or b) have a clinical/internship are required to have and annually verify health insurance coverage (see exemptions below). Students required to have insurance are charged for the Student Health Insurance Plan (SHIP) at registration and must confirm enrollment or submit a waiver to opt out by the deadline. Students who do not enroll or waive by the deadline will be enrolled in the SHIP retroactively to the policy effective date and responsible for the SHIP premium.

Exemptions: If the academic program is fully online and has no clinical/internship, if the academic program is in Continuing and Professional Studies (CPS), or if enrolled in a certificate program without a clinical/internship component then verification is not required and students are not eligible to purchase insurance through the university sponsored plan.

Eligible Dependents, including Domestic Partners of enrolled students may participate in the plan on a voluntary basis.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student's legal spouse or Domestic Partner and dependent children under 26 years of age. See the Definitions section of the Certificate for the specific requirements needed to meet Domestic Partner eligibility.

The student (Named Insured, as defined in the Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured has Dependents and is issued a court or administrative order to provide insurance for those Dependent(s), the Dependents are eligible for insurance without enrollment restrictions:
 - a. On the date the Named Insured is ordered to provide insurance for said Dependent; and
 - b. We receive a copy of the order within 30 days of the date the court order or administrative order is issued.
3. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
 - a. On the date the Named Insured acquires a legal spouse or a Domestic Partner who meets the specific requirements set forth in the Definitions section of the Certificate.
 - b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of the Certificate.

Dependent eligibility expires concurrently with that of the Named Insured.

This service is especially helpful for minor illnesses, such as allergies, sore throat, earache, pink eye, etc. Based on the condition being treated, the doctor can also prescribe certain medications, saving you a trip to the doctor's office. Using HealthiestYou can save you money and time, while avoiding costly trips to a doctor's office, urgent care facility, or emergency room. HealthiestYou physicians are an independent network of doctors who advise, diagnose, and prescribe at their own discretion. HealthiestYou physicians provide cross coverage and operate subject to state regulations. Physicians in the independent network do not prescribe DEA controlled substances, non-therapeutic drugs and certain other drugs which may be harmful because of their potential for abuse. HealthiestYou does not guarantee that a prescription will be written. Services may vary by state.

*Available to Insured students and their covered Dependents; age restrictions may apply. If you call prior to the effective date of your coverage under the insurance plan, you will be charged a service fee before being connected to a board-certified physician.
