### Medical Benefit Payments for In-Network Providers and Out-of-Network Providers

This Certificate provides benefits based on the type of health care provider You select. This Certificate provides access to both In-Network Providers and Out-of-Network Providers. Different benefits may be payable for Covered Medical Expenses rendered by In-Network Providers versus Out-of-Network Providers, as shown in the Schedule of Benefits.

When You receive Emergency Services, or certain non-emergency Treatment by an Out-of-Network Provider at an In-Network Hospital or Ambulatory Surgical Center, You are protected from Surprise Billing. In these situations, Your cost sharing responsibility will be calculated as if the total amount that would be charged for the services by an In-Network Provider or facility were equal to the Recognized Amount for the services, which is generally defined either as an amount set by state law or the lesser of the billed charges and the Qualifying Payment Amount. Refer to the Preferred Provider Organization provision in the How The Plan Works And Description Of Benefits section for additional information.

**Dental and Vision Benefit Payments**

For dental and vision benefits, You may choose any dental or vision provider.

For dental, different benefits may be payable based on the type of service, as shown in the Schedule of Benefits.

If You incurred Covered Medical Expenses from an Out-of-Network Provider but were informed by Us prior to receipt of the Treatment that the provider was an In-Network Provider, either through the Provider Directory, or in Our response to Your request for such information (via telephone, electronic communication, web-based or internet-based means), You may be eligible for cost sharing that would be no greater than if the service had been provided by an In-Network Provider. For additional information, contact Us at the number on Your ID card.

**Preferred Provider Organization:**

To locate an In-Network Provider in Your area, consult Your Provider Directory or call toll free (877) 657-5030 or visit Our website at [www.wellfleetstudent.com](http://www.wellfleetstudent.com).

If You incurred Covered Medical Expenses from an Out-of-Network Provider but were informed by Us prior to receipt of the Treatment that the provider was an In-Network Provider, either through the Provider Directory, or in Our response to Your request for such information (via telephone, electronic communication, web-based or internet-based means), You may be eligible for cost sharing that would be no greater than if the service had been provided by an In-Network Provider. For additional information, contact Us at the number on Your ID card.

- Whether an Assistant Surgeon is necessary for the service
- If follow-up care is included
- Whether other characteristics modify or make a particular service unique
- When a charge includes more than one claim line, whether any services described by a claim line are part of or related to the primary service provided
- The educational level, licensure or length of training of the provider

In some instances, We may negotiate a lower rate with Out-of-Network Providers.

Our reimbursement policies are based on Our review of:

- The Centers for Medicare and Medicaid Services’ (CMS) National Correct Coding Initiative (NCCI) and other external materials that say what billing and coding practices are and are not appropriate;
- Generally accepted standards of medical and dental practice;
- The views of Physicians and dentists practicing in the relevant clinical areas.

  - 100% of the Negotiated Charge for In-Network Provider Covered Medical Expenses
- Out-of-Network Provider individual Out-of-Pocket Maximum, this plan will pay:
  - 100% of the Usual and Customary Charge for Out-of-Network Covered Medical Expenses

that apply towards the limits for the rest of the Policy Year for that covered individual.

The Out-of-Pocket Maximum is the maximum amount of Covered Medical Expenses You are responsible to incur during the Policy Year. This plan has an individual Out-of-Pocket Maximum.

The Out-of-Pocket Maximum may not apply to certain Covered Medical Expenses. If the Out-of-Pocket Maximum does not apply to a covered benefit, Your Copayment and Coinsurance for that medical expense will not count toward satisfying the Out-of-Pocket Maximum.

### **Essential Health Benefits**

Essential Health Benefits are not subject to annual or lifetime dollar limits. If additional specific care, Treatment or services are added to the list of Essential Health Benefits by a governing authority, the Certificate benefits will be amended to comply with such changes.

### **Treatment of Covered Injury and Covered Sickness Benefit**

If:

1. You incur expenses as the result of Covered Injury or Covered Sickness, then
2. We will pay the benefits stated in the Schedule of Benefits for the services, Treatments and supplies described in the Covered Medical Expenses provision below.

Payment will be made, subject to the Coinsurance, Deductible, Copayment, maximums and limits as stated in the Schedule of Benefits:

1. For The Usual and Customary Charge or the Negotiated Charge for Covered Medical Expenses that are incurred as the result of a Covered Injury or Covered Sickness; and
2. Subject to the Exclusions and Limitations provision.

### **Medical Benefit Payments for In-Network Provider and Out-of-Network Providers**

This Certificate provides benefits based on the type of health care provider You select. This Certificate provides access to both In-Network Providers and Out-of-Network Providers. Different benefits may be payable for Covered Medical Expenses rendered by In-Network Providers versus Out-of-Network Providers, as shown in the Schedule of Benefits.

### **Dental and Vision Benefit Payments**

For dental and vision benefits, You may choose any dental or vision provider.

For dental, different benefits may be payable based on type of service, as shown in the Schedule of Benefits.

### **Preferred Provider Organization**

If You use an In-Network Provider, this Certificate will pay the Coinsurance percentage of the Negotiated Charge for Covered Medical Expenses shown in the Schedule of Benefits.

If an Out-of-Network Provider is used, this Certificate will pay the Coinsurance percentage of the Usual and Customary Charge for Covered Medical Expenses shown in the Schedule of Benefits. The difference between the provider fee and the Coinsurance amount paid by Us will be Your responsibility.

Note, however, that We will pay at the In-Network level for Treatment by an Out-of-Network Provider, and will calculate Your cost sharing amount at the In-Network Provider level, and Your cost share will be applied to Your In-Network Deductible and Out-of-Pocket Maximum if:

1. there is no In-Network Provider in the Preferred Provider service area available to provide a Preventive Service or treat You for a specific Covered Injury or Covered Sickness; or
2. You have an Emergency Medical Condition and receive Emergency Services from an Out-of-Network Provider or facility. The most the Out-of-Network Provider or facility may bill You is the In-Network cost sharing amount (such as Deductibles, Copayments and Coinsurance). You can't be balance billed for these Emergency Services. This includes services You may get after You're in stable condition, unless the Out-of-Network Provider or facility determines that You can travel using non-medical or non-emergency transportation, the Out-of-Network Provider satisfies the consent and notice requirements, and You are in a condition to receive notice of, and to consent to, Out-of-Network Treatment; or
3. You receive non-Emergency Services from an In-Network Hospital or Ambulatory Surgical Center, but certain providers there may be Out-of-Network Providers. In these cases, the most those Out-of-Network Providers may bill You is the In-Network cost sharing amount. This applies to emergency medicine, anesthesia, pathology, radiology, laboratory, neonatology, Assistant Surgeon, hospitalist, or intensivist services. These Out-of-Network Providers can't balance bill You and may not ask You to give up Your protections not to be balance billed.

However, if You received notice from the Out-of-Network Provider of their non-network status at least 72 hours in advance, or if You make an appointment within 72 hours of the services being delivered and notice and consent is given on the date of the service, and You gave written consent to Treatment, this Certificate will pay Covered Medical Expenses at the Out-of-Network level as shown in the Schedule of Benefits. This notice and consent exception does not apply to ancillary services, which include items and services related to emergency medicine, anesthesiology, pathology, radiology, and neonatology, whether provided by a Physician or non-Physician practitioner; items and services provided by assistant surgeons, hospitalists, and intensivists; diagnostic services, including radiology and laboratory services; and items and services provided by an Out-of-Network Provider in circumstances where there is no In-Network Provider who can furnish the item or service at the relevant facility.

You should be aware that In-Network Hospitals may be staffed with Out-of-Network Providers. Receiving services from an In-Network Hospital does not guarantee that all charges will be paid at the In-Network Provider level of benefits. It is important that You verify that Your Physicians are In-Network Providers each time You call for an appointment or at the time of service.

## **Continuity of Care**

If You are undergoing an active course of Treatment with an In-Network Provider, You may request continuation of Treatment by such In-Network Provider in the event the In-Network Provider's contract has terminated with the Preferred Provider organization. We shall notify You of the termination of the In-Network Provider's contract at least 60 days in advance. When circumstances related to the termination render such notice impossible, We shall provide affected enrollees as much notice as is reasonably possible. The notice given must include instructions on obtaining an alternate provider and must offer Our assistance with obtaining an alternate provider and ensuring that there is no inappropriate disruption in Your ongoing Treatment. We shall permit You to continue to be covered, with respect to the course of Treatment with the provider, for a transitional period of at least 90 days from the date of the notice to You of the termination except that if You are in the second trimester of pregnancy at the time of the termination and the provider is treating You during the pregnancy. The transitional period must extend through the provision of postpartum care directly related to the pregnancy.

## **COORDINATION OF BENEFITS**

The Coordination of Benefits ("COB") provision applies when a person has health care coverage under more than one (1) Plan. Plan is defined below.

The order of benefit determination rules govern the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary plan. The Primary plan must pay benefits in accordance with its policy terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the Primary plan is the Secondary plan. The Secondary plan may reduce the benefits it pays so that payments from all Plans does not exceed 100% of the total Allowable expense.

## DEFINITIONS

1. A Plan is any of the following that provides benefits or services for medical or dental care or Treatment. If separate policies are used to provide coordinated coverage for members of a group, the separate policies are considered parts of the same plan and there is no COB among those separate policies.
  - a. Plan includes: group and nongroup insurance policies, health insuring corporation ("HIC") policies, closed panel plans or other forms of group or group-type coverage (whether insured or uninsured); medical care components of long-term care policies, such as skilled nursing care; medical benefits under group or individual automobile policies; and Medicare or any other federal governmental plan, as permitted by law.
  - b. Plan does not include: hospital indemnity coverage or other fixed indemnity coverage; accident only coverage; specified disease or specified accident coverage; supplemental coverage as described in state law; school accident type coverage; benefits for non-medical components of long-term care policies; Medicare supplement policies; Medicaid policies; or coverage under other federal governmental plans, unless permitted by law.

Each Certificate for coverage under a. or b. is a separate Plan. If a Plan has 2 parts and COB rules apply only to 1 of the 2, each of the parts is treated as a separate Plan.

2. This plan means, in a COB provision, the part of the Certificate providing the health care benefits to which the COB provision applies and which may be reduced because of the benefits of other plans. Any other part of the Certificate providing health care benefits is separate from this plan. A Certificate may apply one COB provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.
3. The order of benefit determination rules determine whether This plan is a Primary plan or Secondary plan when the person has health care coverage under more than 1 Plan.

When This plan is primary, it determines payment for its benefits first before those of any other Plan without considering any other Plan's benefits. When This plan is secondary, it determines its benefits after those of another Plan and may reduce the benefits it pays so that all Plan benefits do not exceed 100% of the total Allowable expense.

4. Allowable expense is a health care expense, including Deductibles, Coinsurance and Copayments, that is covered at least in part by any Plan covering the person. When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered an Allowable expense and a benefit paid. An expense that is not covered by any Plan covering the person is not an Allowable expense. In addition, any expense that a provider by law or in accordance with a contractual agreement is prohibited from charging You is not an Allowable expense.

The following are examples of expenses that are not Allowable expenses:

- a. The difference between the cost of a semi-private hospital room and a private hospital room is not an Allowable expense, unless 1 of the Plans provides coverage for private hospital room expenses.
- b. If a person is covered by 2 or more Plans that compute their benefit payments on the basis of Usual and Customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology, any amount in excess of the highest reimbursement amount for a specific benefit is not an Allowable expense.
- c. If a person is covered by 2 or more Plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an Allowable expense.
- d. If a person is covered by 1 Plan that calculates its benefits or services on the basis of Usual and Customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology and another Plan that provides its benefits or services on the basis of negotiated fees, the Primary plan's payment arrangement shall be the Allowable expense for all Plans. However, if the provider has contracted with the Secondary plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the Primary plan's payment arrangement and if the provider's Policy permits, the negotiated fee or payment shall be the Allowable expense used by the Secondary plan to determine its benefits.

- e. The amount of any benefit reduction by the Primary plan because You failed to comply with the Plan provisions is not an Allowable expense. Examples of these types of plan provisions include second surgical opinions, Pre-Certification of admissions, and preferred provider arrangements.
5. Closed panel plan is a Plan that provides health care benefits to Insured Persons primarily in the form of services through a panel of providers that have contracted with or are employed by the Plan, and that excludes coverage for services provided by other providers, except in cases of emergency or referral by a panel member.
  6. Custodial parent is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

## **ORDER OF BENEFIT DETERMINATION RULES**

When a person is covered by 2 or more Plans, the rules for determining the order of benefit payments are as follows:

- A. The Primary plan pays or provides its benefits according to its terms of coverage and without regard to the benefits of under any other Plan.
- B. (1) Except as provided in Paragraph (2), a Plan that does not contain a coordination of benefits provision that is consistent with this regulation is always primary unless the provisions of both Plans state that the complying plan is primary.  
(2) Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage shall be excess to any other parts of the Plan provided by the Policyholder. Examples of these types of situations are major medical coverages that are superimposed over base plan hospital and surgical benefits, and insurance type coverages that are written in connection with a Closed panel plan to provide Out-of-Network Provider benefits.
- C. A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is secondary to that other Plan.
- D. Each Plan determines its order of benefits using the first of the following rules that apply:
  1. Non-Dependent or Dependent. The Plan that covers the person other than as a dependent, for example as an employee, member, Policyholder, subscriber or retiree is the Primary plan and the Plan that covers the person as a dependent is the Secondary plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a dependent, and primary to the Plan covering the person as other than a dependent (e.g. a retired employee), then the order of benefits between the two (2) Plans is reversed so that the Plan covering the person as an employee, member, Policyholder, subscriber or retiree is the Secondary plan and the other Plan is the Primary plan.
  2. Dependent child covered under more than one plan. Unless there is a court decree stating otherwise, when a dependent child is covered by more than one Plan the order of benefits is determined as follows:
    - a. For a dependent child whose parents are married or are living together, whether or not they have ever been married:
      - i. The Plan of the parent whose birthday falls earlier in the calendar year is the Primary plan; or
      - ii. If both parents have the same birthday, the Plan that has covered the parent the longest is the Primary plan.

However, if one spouse's plan has some other coordination rule (for example, a "gender rule" which says the father's plan is always primary), We will follow the rules of that plan.
    - b. For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:
      - i. If a court decree states that one (1) of the parents is responsible for the dependent child's health care expenses or health care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to plan years commencing after the Plan is given notice of the court decree;
      - ii. If a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of Subparagraph (a) above shall determine the order of benefits;

- iii. If a court decree states that the parents have joint custody without specifying that 1 parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of Subparagraph (a) above shall determine the order of benefits; or
- iv. If there is no court decree allocating responsibility for the dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:
  - The Plan covering the Custodial parent;
  - The Plan covering the spouse of the Custodial parent;
  - The Plan covering the non-custodial parent; and then
  - The Plan covering the spouse of the non-custodial parent.
- c. For a dependent child covered under more than one Plan of individuals who are not the parents of the child, the provisions of Subparagraph (a) or (b) above shall determine the order of benefits as if those individuals were the parents of the child.
- d. a. For a dependent child who has coverage under either or both parents' plans and also has his or her own coverage as a dependent under a spouse's plan, the rule in paragraph (5) applies.  
 b. In the event the dependent child's coverage under the spouse's plan began on the same date as the dependent child's coverage under either or both parents' plans, the order of benefits shall be determined by applying the birthday rule in subparagraph (a) to the dependent child's parent(s) and the dependent's spouse.
- 3. Active employee or retired or laid-off employee. The Plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the Primary plan. The Plan covering that same person as a retired or laid-off employee is the Secondary plan. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D(1) can determine the order of benefits.
- 4. COBRA or state continuation coverage. If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the Primary plan and the COBRA or state or other federal continuation coverage is the Secondary plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D(1) can determine the order of benefits.
- 5. Longer or shorter length of coverage. The Plan that covered the person as an employee, member, Policyholder, subscriber or retiree longer is the Primary plan and the Plan that covered the person the shorter period of time is the Secondary plan.
- 6. If the preceding rules do not determine the order of benefits, the Allowable expenses shall be shared equally between the Plans meeting the definition of Plan. In addition, this plan will not pay more than it would have paid had it been the Primary plan.

#### **EFFECT ON THE BENEFITS OF THIS PLAN**

- A. When This plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all Plans during a plan year are not more than the total Allowable expenses. In determining the amount to be paid for any claim, the Secondary plan will calculate the benefits it would have paid in the absence of other health care coverage and apply that calculated amount to any Allowable expense under its Plan that is unpaid by the Primary plan. The Secondary plan may then reduce its payment by the amount so that, when combined with the amount paid by the Primary plan, the total benefits paid or provided by all Plans for the claim do not exceed the total Allowable expense for that claim. In addition, the Secondary plan shall credit to its plan Deductible any amounts it would have credited to its Deductible in the absence of other health care coverage.
- B. If an Insured Person is enrolled in 2 or more Closed panel plans and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by 1 Closed panel plan, COB shall not apply between that Plan and other Closed panel plans.

## **RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION**

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under This plan and other Plans. Our Agent or We may get the facts it needs from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under This plan and other Plans covering the person claiming benefits. Our Agent or We need not tell, or get the consent of, any person to do this. Each person claiming benefits under This plan must give Our Agent or We any facts it needs to apply those rules and determine benefits payable.

## **FACILITY OF PAYMENT**

A payment made under another Plan may include an amount that should have been paid under This plan. If it does, Our Agent or We may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under This plan. Our Agent or We will not have to pay that amount again. The term payment made includes providing benefits in the form of services, in which case payment made means the reasonable cash value of the benefits provided in the form of services.

## **RIGHT OF RECOVERY**

If the amount of the payments made by Our Agent or We is more than it should have paid under this COB provision, it may recover the excess from one (1) or more of the persons it has paid or for whom it has paid, or any other person or organization that may be responsible for the benefits or services provided for the Insured Person. The “amount of the payments made” includes the reasonable cash value of any benefits provided in the form of services.

## **SECTION VIII - GENERAL PROVISIONS**

Any payment made by Us in good faith pursuant to this provision will fully discharge Us to the extent of such payment.

We may pay all or a portion of any indemnities provided for health care services to the provider, unless You direct otherwise, in writing, by the time proofs of loss are filed. We cannot require that the services be rendered by a particular provider.

**Assignment:** The Insured Person may assign Out-of-Network benefits payable under this Certificate. In-network benefits are billed directly by the provider. We are not bound by an assignment unless it is in writing and until a duplicate of the original assignment has been filed with Us. We assume no responsibility regarding the validity of any assignment or payment made without notice of a prior assignment.

**Physical Examination and Autopsy:** We, at Our own expense, will have the right and opportunity to examine the person of an individual whose Injury or Sickness is the basis of a claim when and as often as it may reasonably require during the pendency of a claim hereunder. In the case of Your death, We may have an autopsy performed unless prohibited by law.

**Legal Actions:** No action at law or in equity will be brought to recover on this Certificate prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of this Certificate. No such action will be brought after the expiration of three years after the time written proof of loss is required to be furnished.

**Conformity with State Statutes:** Any provision of this Certificate which, on its Effective Date, is in conflict with the statutes of the state in which this Certificate was delivered or issued for delivery is hereby amended to conform to the minimum requirements of such statutes.

**Time Limit on Certain Defenses:** The validity of this Policy will not be contested after it has been in force for three (3) years from this Policy Effective Date, except for non-payment of Premium or fraudulent misstatements made by the Policyholder or the Insured Person. We reserve the right to contest coverage at any time based upon the Insured Person's ineligibility for coverage under this Policy or upon other provisions of this Policy.

4. This Certificate is not in lieu of and does not affect any requirement of coverage by Workers' Compensation Insurance.
5. All new persons in the groups or classes eligible to and applying for this insurance will be added in the respective groups or classes in which they are eligible.
6. The insurance of any Insured Person will not be prejudiced by the failure on the part of the Policyholder to transmit reports, pay premium or comply with any of the provisions of this Certificate when such failure is due to inadvertent error or clerical mistake.
7. All books and records of the Policyholder containing information pertinent to this insurance will be open to examination by Us during the Certificate term and within one year after the termination of this Certificate.

8. Benefits are payable under this Certificate only for those expenses incurred while You are covered. No benefits are payable for expenses incurred after the date Your insurance terminates, except as may be provided under an Extension of Benefits.

There are 3 types of claims: Pre-Service, Concurrent Care, and Post-Service Claims. In addition, certain Pre-Service or Concurrent Care Claims may involve Urgent Care. If the Company makes an Adverse Benefit Determination, then You may appeal according to the following steps.

**Step 1:**

If Your claim is denied, You will receive written notice from Us that Your claim is denied (in the case of Urgent Claims, notice may be oral). The period in which You will receive this notice will vary depending on the type of claim. In addition, We may take an extension of time in which to review Your claim for reasons beyond Our control. If the reason for the extension is that You need to provide additional information, You will be given a certain amount of time in which to obtain the requested information (it will vary depending on the type of claim). The period during which We must make a decision will be suspended until the earlier of the date that You provide the information or the end of the applicable information-gathering period.

<b>Type of Claim</b>	<b>You will be notified by Us that a claim is denied as soon as possible but no later than:</b>	<b>Extension period allowed for circumstances beyond Our control:</b>	<b>If additional information is needed, You must provide within:</b>
Pre-Service Claim	15 days from receipt of claim (whether adverse or not)	One extension of 15 days	45 days of date of extension notice
Pre-Service Claim involving Urgent Care	72 hours from receipt of claim (whether adverse or not) (24 hours after receipt of claim if additional information is needed from You)	None	48 hours (We must notify You of determination within 48 hours of receipt of Your information)

<p>Concurrent:</p> <p>To end or reduce Treatment prematurely (other than by policy amendment or termination)</p> <p>Pending the outcome of an appeal, benefits for an ongoing course of Treatment will not be reduced or terminated.</p>	<p>Notification to end or reduce Treatment will allow sufficient time in advance to allow You to appeal and obtain a determination on the adverse benefit determination prior to the end or reduction of prescribed Treatment</p>	N/A	N/A
<p>Concurrent:</p> <p>To deny Your request to extend Treatment</p>	<p>30 days from receipt of claim for Pre-Service Claim; or 60 days from receipt of claim for Post-Service Claim</p>	On extension of 15 days	45 days of the date of extension notice
<p>Concurrent:</p> <p>Involving Urgent Care</p>	<p>72 hours from receipt of claim (whether adverse or not) (24 hours after receipt of claim if additional information is needed from You; or 24 hours after receipt of claim provided that any such claim is made at least 24 hours prior to the end or reduction of prescribed Treatment)</p>	None	48 hours (We must notify You of determination within 48 hours of receipt of Your information)
<p>Post-Service Claim</p>	<p>30 days from receipt of claim</p>	One extension of 15 days	45 days of the date of extension notice

Once You have received notice from Us, You should review it carefully. The notice will contain:

1. The reason(s) for the denial and the Policy provisions on which the denial is based.
2. A description of any additional information necessary for You to perfect Your claim, why the information is necessary, and Your time limit for submitting the information.
3. A description of the Policy's appeal procedures and the time limits applicable to such procedures, including a statement of Your right to bring a civil action following a final denial of Your appeal.
4. A statement indicating whether an internal rule, guideline or protocol was relied upon in making the denial and a statement that a copy of that rule, guideline or protocol will be made available upon request free of charge.
5. If the denial is based on a Medical Necessity, Experimental Treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination or a statement that such explanation will be provided free of charge upon request; and
6. If the claim was an Urgent Care request, a description of the expedited appeals process. The notice may be provided to You orally within 72 hours; however, a written or electronic notification will be sent to You no later than 3 days after the oral notification. If the claim was/is an Urgent Care request, You may initiate an Internal Appeal and an External Review simultaneously.
7. Information sufficient to identify the claim (including the date of service, the health care provider, and the claim amount (if applicable)).
8. An explanation of how to request diagnosis and treatment codes (and their corresponding meanings).

- 9. The contact information for all relevant review agency contacts and the office of health insurance consumer assistance to assist You with Your claims, appeals and external review.
- 10. Notification that culturally and linguistically appropriate services are available.

**INTERNAL APPEAL**

**Step 2:**

If You do not agree with Our decision and wish to appeal, You must file a written appeal with Us at the address below within 180 days after receipt of the Adverse Benefit Determination notification (or oral notice if an Urgent Care request) referenced in Step 1. If the claim involves Urgent Care, Your appeal may be made orally.

You should submit all information referenced in Step 1 with Your appeal. You should gather any additional information that is identified in the notice as necessary to perfect Your claim and any other information that You believe will support Your claim.

Appeals should be sent to:  
 Wellfleet Insurance Company  
 Attention: Appeals Unit  
 Wellfleet Group, LLC  
 P.O. Box 15369  
 Springfield, MA 01115-5369

<b>Type of Claim</b>	<b>You must file Your appeal within:</b>	<b>You will be notified of Our determination as soon as possible but no later than:</b>
Pre-Service Claim	180 days after receipt of Adverse Benefit Determination	30 days of receipt of appeal
Pre-Service Claim involving Urgent Care	180 days after receipt of Adverse Benefit Determination	72 hours of receipt of appeal
Concurrent: To end or reduce Treatment prematurely	180 days after receipt of Adverse Benefit Determination Pending the outcome of the appeal, benefits for an ongoing course of Treatment will not be reduced or terminated.	15 days of receipt of appeal
Concurrent: To deny Your request to extend Treatment	180 days after receipt of Adverse Benefit Determination for Pre-Service or Post-Service Claim	15 days of receipt of appeal for Pre-Service Claim; or 30 days of receipt of appeal for Post-Service Claim
Concurrent: Involving Urgent Care	180 days after receipt of Adverse Benefit Determination	72 hours of receipt of appeal
Post-Service Claim	180 days after receipt of Adverse Benefit Determination	60 days of receipt of appeal

**Step 3:**

If Your appeal is denied based on medical judgement such as Medical Necessity, appropriateness, health care setting, level of care or effectiveness of the health care service or Treatment and You wish to seek an external review from an Independent Review Organization (IRO), You must file a written request for external review.

You may also seek an external review by an IRO for a denial of an Urgent Care request based on medical judgement provided that (1) You have also filed an internal appeal in accordance with the terms described herein; and (2) the time frames for completion of an Urgent Care appeal will seriously jeopardize Your life or health or would seriously jeopardize Your ability to regain maximum function.

You may also seek an external review for a rescission of coverage.

## **STANDARD EXTERNAL REVIEW**

Within 4 months after the date of receipt of a notice of an Adverse Benefit Determination, You may file a request for an external review with Us or Your state's Commissioner of Insurance.

You must file Your written request for an external review with Us at the address below within 4 months of the date You received the applicable denial.

Within 5 business days of receiving Your request for an external review, We will complete a preliminary review of the request to determine whether You were covered under the Policy at the time the expense was incurred and whether You have exhausted the Internal Appeal process where required.

In most cases, You should complete Our Internal Appeals process before You:

- Contact Your state's Department of Insurance to request an investigation of a claim determination or appeal;
- File a complaint or appeal with Your state's Department of Insurance;
- File a request for an External Review;
- Pursue arbitration, litigation or other type of administrative proceedings.

However, in some cases, You do not have to exhaust the Internal Appeal process before You move on to an External Review. These situations are:

- We waive the Internal Appeal process;
- You have an Urgent Care situation or a claim that involves ongoing treatment. In these situations, You may have Your claim go through the External Review at the same time as the Internal Appeal process; and
- We did not follow all of the State or Federal claim determination and appeal requirements. However, You will not be able to proceed directly to an External Review if:
  - The rule violation was minor and not likely to influence a decision or harm You;
  - The violation was for a good cause or a matter beyond Our control;
  - The violation was part of an ongoing good faith exchange of information between You and Us.

Within 1 business day of making a determination, You will be notified if the external review request is denied and You will be provided with: (1) the reasons why the claim is initially ineligible for external review; or (2) the information or materials needed for a complete request. In the event Your request is denied due to lack of information or materials, You must perfect Your claim by the later of the end of the 4-month period following the final internal Adverse Benefit Determination or 48 hours following notification that Your request for external review was denied.

If initially eligible for an external review, We will assign the request to an IRO. The IRO will make a determination and provide You and Us with notice of its determination within 45 days of receiving the review request.

## **EXPEDITED EXTERNAL REVIEW**

If, due to Your medical condition, the time frame for completion of the standard external review process would seriously jeopardize Your life or health or Your ability to regain maximum function, You may request an expedited external review, the preliminary review will be completed immediately. If determined to be initially eligible, We will assign the request to an IRO and the IRO will complete the review as expeditiously as Your medical condition requires, but in no event more than 72 hours after receiving the request. If the notice is provided to You orally, a written or electronic notification will be sent to You no later than 48 hours after the oral notification.

## **IMPORTANT INFORMATION**

- Each level of appeal will be independent from the previous level (i.e., the same person(s) involved in a prior level of appeal will not be involved in the appeal).
- The claims reviewer will review relevant information that You submit even if it is new information. In addition, You have the right to request documents or other records relevant to Your claim.

- If a claim involves medical judgement, then the claims reviewer will consult with an independent health care professional that has expertise in the specific area involving medical judgment.
- You may review the claim file and present evidence and testimony at each state of the appeals process.
- You may request, free of charge, any new or additional evidence considered, relied upon, or generated by Us in connection with Your claim.
- If a decision is made based on new or additional rationale, You will be provided with the rationale and be given a reasonable opportunity to respond before a final decision is made.
- If You wish to submit relevant documentation to be considered in reviewing Your claim for appeal, it must be submitted with Your claim and/or appeal.
- You should exhaust these appeals procedures before filing a complaint or appeal with Your state's Department of Insurance.
- You should raise all issues that You wish to appeal during Our Internal Appeal process and during the External Review.

**NOTICE OF PROTECTION PROVIDED BY  
PENNSYLVANIA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a **brief summary** regarding the protections provided to policyholders by the Pennsylvania Life and Health Insurance Guaranty Association (“the Association”). This protection was created under Pennsylvania law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your member life, annuity, or health insurance company, RANLI PPO, hospital plan corporation, professional health services plan corporation or health maintenance organization (member insurer) becomes financially unable to meet its obligations. If this should happen, the Association will typically arrange to provide coverage, pay claims, or otherwise provide protection in accordance with Pennsylvania law. The protection provided by the Association is not unlimited and is not a substitute for consumers' care in selecting companies that are well managed and financially stable.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations or the rights or obligations of the Association.

**COVERAGE**

**Persons Covered**

Generally, individuals will be protected by the Association if the member insurer was a member of the Association and the individual lives in Pennsylvania at the time the member insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees of such individuals.

**Amounts of Coverage**

The basic coverage protections provided by the Association per insured in each insolvency are limited in the aggregate to \$300,000 (or \$500,000 in the case of health benefit plans), including specific limits for the following types of coverage but not in excess of the contractual obligations of the member insurer;

**Life insurance:**

- o Up to \$300,000 in death benefits including up to \$100,000 in net cash surrender or withdrawal value.

**Accident, accident and health, or health insurance (including HMOs):**

- o Up to \$500,000 for health benefit plans, with some exceptions.
- o Up to \$300,000 for disability income benefits.
- o Up to \$300,000 for long-term care insurance benefits.
- o Up to \$100,000 for all other types of health insurance.

**Individual annuities**

- o Up to \$250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.

**LIMITATIONS AND EXCLUSIONS FROM COVERAGE**

The Association also does not provide coverage for:

- any policy or contract or portion of a policy or contract which is not guaranteed by the member insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- claims based on marketing materials or other documents which are not approved policy or contract forms, claims based on misrepresentations of policy or contract benefits, and other extra-contractual claims;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields or increases based on an index that exceed an average rate specified by statute;

- dividends, experience rating credits, or credits given in connection with the administration of a policy or contract by a group contractholder;
- employers' plans that are self-funded (that is, not insured by member insurer, even if member insurer administers them);
- unallocated annuity contracts (which give rights to group contractholders, not individuals) other than in limited circumstances and amounts;
- certain contracts which establish benefits by reference to a portfolio of assets not owned by the member insurer; or
- policies providing health care benefits for Medicare Parts C or D coverage, for Medicaid or under the Pennsylvania program for Comprehensive Health Care for Uninsured Children.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in Pennsylvania when it issued the policy or contract
- If the person is provided coverage by the guaranty association of another state
- A policy issued by a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange

### **NOTICES**
